

REVELATION: UNPACKING HEAVENLY SYMBOLS

A workshop given by Madelon Maupin

Saturday, October 27, 2018
9 a.m. – 4:30 p.m.

This talk will explore the spiritual, cultural, historical, political and geographic meaning of the Bible's final book, "Revelation."

It has long been a puzzle for Christians trying to interpret its coded language and vivid images. We'll examine the role of angels and depiction of heavenly warfare as tools we can apply today, unveiling a text that has been the source of so many extreme views throughout the centuries.

Please bring your Bibles!
